# Payment Terms & Agreements

## for wedding packages

we like to keep it simple

### *Security Deposit*

30% of the wedding package is required and is not refundable in any cases. It includes the reservation of the wedding date, celebrant and ceremony decorations.

*Note: Wedding venues have their own payment terms & conditions. Their fees also can be paid directly to them.*

### *2nd Invoice*

50% is required 90 days before the wedding date and the amount depends on the total cost of your event invoice.

### *Final Invoice*

Balance payment is settled 30 days before the wedding date and the amount depends on the total cost of your event invoice.

*Note: In unexpected cases after the final payment has been made, you can still decrease the number of guests, the leftover amount will not be refunded but can go towards other expenses in the event. However, a definite number of guests is required 14 days before the wedding date.*

---

*"Change of the wedding date should be notified to us and is subject to availability only."*

---

### *Cancellation Policy*

Cancellations must be notified in writing and charges will apply from the date that notification is received.

The charges applicable if you cancel your wedding are:

**More than 120 days prior to the wedding > total deposit amount.**

**90 - 119 days prior to the wedding > 30% of the initial quote and deposit.**

**60 - 89 days prior to the wedding > 50% of the initial quote and deposit.**

**Less than 30 days prior to the wedding > 100% of the initial quote.**

*Noted: We cannot be held responsible when we are forced to make changes or cancellations as consequences beyond our control.*

## Payments & Deposits

Our initial quote, based on your requirements as listed in your wedding request email, will be provided to you before you make a decision to proceed with the booking.

To reserve your wedding date a deposit is required 5 days after we confirm that the date is available. If not received we cannot guarantee your chosen date or services.

On receipt of your deposit, we will provide you with a payment schedule.

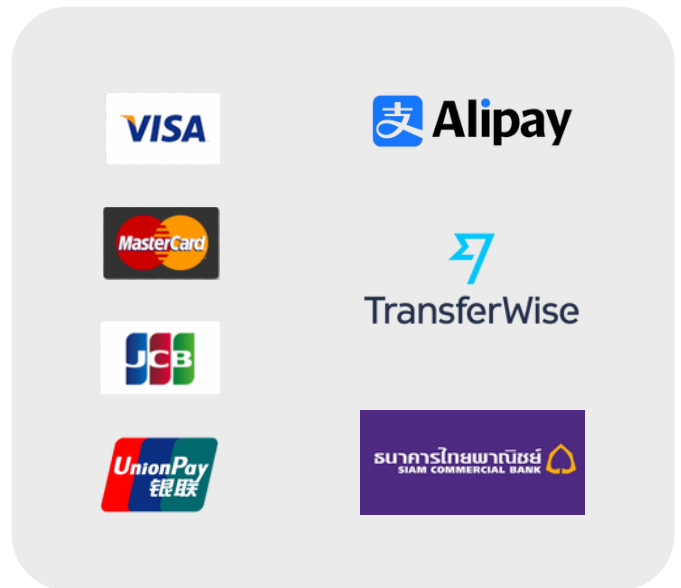

If the payments are not received by the due date your wedding or event may be canceled and all monies paid and due are non-refundable.

Please note that our terms & conditions are non-negotiable.

## WEDDING insurance

We are not able to provide wedding insurance; it has to be purchased in your country of residence.

## Payment Options

*"Payment must be made in THB and based on the current bank exchange rate ."*

After we send you the wedding date confirmation by email, you must confirm the wedding package, sign the contract and email it back to us.

A binding contract comes into effect once the booking has been confirmed and we have received the signed contract with your deposit payment.

## Force Majeure

We cannot be held responsible for cancellations or changes resulting from a Force Majeure. This applies to the time before, during and after the wedding.

If the performance of this agreement is delayed, hindered or prevented or is otherwise influenced by reason of force majeure i.e. any event beyond the control of the party affected, then the party so affected will promptly notify the other in writing.

Upon other party accepting the existence of any such event, or if the other party has failed to respond within five working days, the obligations of both parties will cease or shall be suspended for an appropriate period of time to be arranged between you and us.
