## *Cancellation Policy*

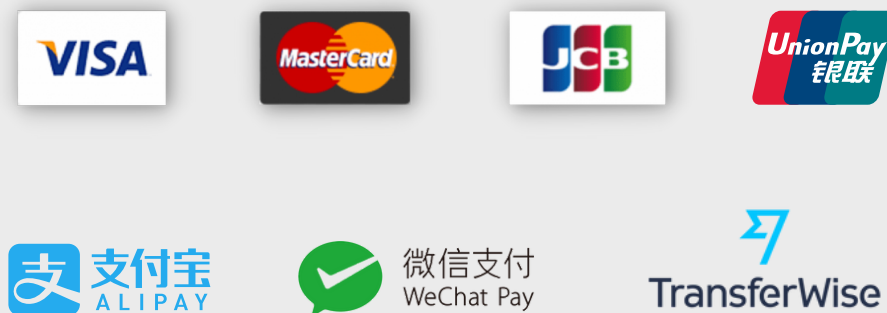

Payment for our planner service is not refundable in any cases. Cancellations must be notified in writing and charges will apply from the date that notification is received.

---

*"Change of the proposal date should be notified to us and is subject to availability only."*

---

## Payment Options

*"Payment must be made in THB and based on the current bank exchange rate ."*

After we send you the wedding date confirmation by email, you must confirm the wedding package, sign the contract and email it back to us.

A binding contract comes into effect once the booking has been confirmed and we have received the signed contract with your deposit payment.
